

## International AYUSH Conclave Kerala 2019

### INTERNATIONAL SEMINAR

#### Public health interventions by AYUSH systems

February 15-18 ,2019 – Kanakakkunnu-Thiruvananthapuram-Kerala-India.

**1st International AYUSH conclave of Kerala** is scheduled from **February 15-18** at Kanakakkunnu, Thiruvananthapuram, Kerala. This five-day event is the first of its kind which is exclusively organised by the Government of Kerala, for showcasing the growth and scientific development of AYUSH systems of medicines in Kerala. The whole event will enhance the grass root presence of AYUSH systems in this region. The conclave plans to conduct an LSG Leader's Meet as the part of International Seminar, which aims to create awareness about different public health activities by AYUSH systems of medicines with the objective of including AYUSH as a mainstream public health option thus by establishing Kerala as a global hub of Health and Wellness tourism. It is the 1st conference & exhibition on AYUSH systems of medicines organised by Department of AYUSH, Govt. of Kerala. National AYUSH Mission (NAM) Kerala will be the executing agency for the event on behalf of Government.

The International Seminar will be focusing on **Public health interventions by AYUSH systems of Medicine** in different organisations across the globe. The main objective of this event is to improve the Quality, Safety and Efficacy standards of AYUSH medicines in their areas of **Practice, Research, Education and Industry**. Eminent academicians in the field of Ayurveda, Siddha, Unani, Homeopathy, Naturopathy, Yoga and other Traditional Medicine will center on the theme of AYUSH as an evidence based discipline with scientific data and facts and reveal new scopes and developments in this field of medicine. More than 3000 Delegates are expected to participate from different parts of the World.

## Organised by

Department of AYUSH - Govt. of Kerala, National AYUSH Mission- Kerala and International Research Institute of Ayurveda.

## Seminar information-February 16, 17, 18 - 2019
